The Georgian Bay Club's Commitment to Creating an Accessible Environment

The Georgian Bay Club is committed to following the principles of dignity, independence, integration and equal opportunity by providing quality goods and services accessible to all persons it serves.

The Multi-Year Accessibility Plan is intended to set a foundation of expectations while meeting the requirements set forth by the *Integrated Accessibility Standards Regulation (IASR)* under the *Accessibility for Ontarians with Disabilities Act, 2005 (AODA)*. The Georgian Bay Club supports the goals of the AODA and will continually work towards creating an accessible environment through the removal and prevention of potential barriers.

The *Accessibility Standards* are the legal requirements that organizations in Ontario must follow to become more accessible to people with disabilities. They address key areas of daily life, including:

- Customer service
- Information and Communications
- Employment
- Transportation
- Design of public spaces
